Let´s celebrate carnival

The carnival of Santa Cruz de Tenerife (Canary Islands, Spain) is the second largest after the carnival of Rio de Janeiro. It takes place once a year, 40 days before Easter, and it is famous all over the world. Each year there is a new theme for the carnival, and it is never repeated.

The official carnival consists of several parts and lasts a week:

Carnival Queen Selection: the costumes are created during several months. They are usually made of plastic, metal and paper and can weigh a hundred or more kilos.

Opening Parade: the parade passes through the main streets and announces the beginning of the Carnival.

The Main Procession: residents and guests of the island dress in a variety of costumes, wigs and hats. There are also "Murgas", a creative competition of performing satirical verses and "Comparsas", song and dance competitions.

Burial of the sardine: the carnival ends with a funeral procession of the spirit of Carnival, symbolized by a big sardine made of paper transported through the main street. All this is accompanied by dance music.

After the carnival, during the year, in different parts of the island, you can see performances of dance groups or musical orchestras dressed in bright costumes.

The dog who came to stay

Last summer, Matthew and Fiona went on holiday to Spain. They stayed in a small cottage. One day, Matthew went for a long walk. He found a dog! It was lost! It was a stray dog. It wagged its tail. It followed Matthew home. Fiona liked the dog, and she gave it some food. It ate the food very quickly. It sat down outside their front door. At 10 pm, it was cold. Fiona let the dog inside. It sat beside her on the sofa. It was a girl dog. They gave her a name – Hilda. Hilda stayed in the cottage with them.

Six days later, it was time to go home. Back to England! Fiona took Hilda to a dog rescue centre. Sadly, they had no place for Hilda. But, they offered to help! They transported Hilda to England, to Fiona and Matthew's house. Fiona and Matthew paid the dog rescue people a fee. The fee was £500.

Now, Hilda lives with Matthew and Fiona! She sleeps on the bed and eats Pedigree Chum and nice dog biscuits. Matthew takes her for a long walk every day, and she sits on Fiona's knee in the evenings. Matthew and Fiona love Hilda and Hilda loves them.
